Step 1:

Take the legs out of the zippered bag found in the bottom pocket of the product.

Step 2:

Attach each wooden L-shaped leg to the 2 outside corners of the end seat pieces (LAF 1-arm chair and RAF 1-arm chair) with the bolt and washer, using the included allen key.

Step 3:

Attach each plastic leg to the corners of all remaining pieces and screw tightly.

Step 4:

Using 2 people, carefully turn each lounge suite piece the right way up.
