

**Step 1:**

Take the legs out of the zippered bag found in the bottom pocket of the product.

**Step 2:**

Attach each leg with 2 bolts in the corners of the product. Tighten with allen key.

**3 Seater only:** attach the center support foot (B) – it will screw in place with built in thread.

**Step 3:**

Using 2 people, carefully turn each lounge suite piece the right way up.
