KEY FEATURES & BENEFITS

FRAME	FSC certified Pine and Plywood frame	We've taken brute strength to the next level with a beefed up frame constructed with sustainably sourced timber
FOUNDATION	Heavy gauge steel Zig Zag springs	Provides core foundation and stability to support the comfort foam layers
FOAM	Premium high-density D35 Polyurethane foam, topped with a high quality Polypropylene Dacron layer	Delivers the ultimate in long-lasting seat comfort
MECHANISM	Tested up to 150kgs at 25,000 cycles	Warrantied for use up to 150kgs, this robust recliner mechanism has been crafted to last - that's 30kg more weight-loading than standard mechanisms!
POWER	Powered recliner and headrest	Recliners are adjustable at the touch of a button for functional ease – feel the ultimate confidence your recliner is being powered by the best! Headrests are manually adjustable
DEVICE CHARGING	USB ports & 240v power	Convenient USB port located in the drop down table for charging phones & small devices, plus standard 240v power outlets for powering larger devices such as laptops
UPHOLSTERY	Stocked in Jamestown fabric	Stocked in black and seal colour options
